Make-ups: will be allowed on missed sessions provided they are phoned in to the skating school office prior to the contracted session ice time. Make-up credit of $50.00 and less, for the current contract, may be carried over to the next contract. Medical exceptions are on an individual basis.

Walk-on Rates: contract skaters that desire additional sessions may walk-on at their contract rate. These walk-ons may be paid on the day of the ice, or if payments are in good standing, may be added to your account and will appear on your quarterly statement. Accumulated walk-ons will be due with the next contract payment.

Contract Confirmation: will be available at the CID front desk within 7 days after the due date. Contract requests received after the due date will be processed after all "on-time" contracts.

Contract Discount: a discount of 5% will be applied to your account provided your contract request was submitted by the due date and all payments were made on time. This credit will apply to the *next* contract session. If the contract is paid in full on or before the first payment date, the discount may be taken at that time.

Complimentary Walk-on or Off-ice Card: contracts submitted that total over $250.00 will receive a complimentary card for each increment of $250.00. These cards must be turned in at the time of the activity and may be used for your choice of a walk-on or off-ice activity. Cards expire at the end of the contract session, are not transferable, have no monetary value, and may not be used as a contract credit.
